

SENSES WINES 2022 PINOT NOIR RUSSIAN RIVER VALLEY

VINTAGE

An early spring with unseasonable heat marked the beginning of the 2022 growing season. However, by the middle of the vintage, a long and mild summer had set in with the predictable pattern of fog rolling in most evenings and burning off by midmorning in most cases with few "pea soup" days to stall ripening after veraison took place. This set the fruit on a path for long even ripening with full phenolic development. However, right at harvest mother nature threw a couple of curveballs, first in the form of more heatwaves followed closely by early rainstorms, increasing the threat of mildew and botrytis exponentially. However, careful canopy management and sugar monitoring meant the fruit came in clean and mostly unaffected by the late rains or excessive heat.

WINE

"Bright fresh berry, flower and savory herb aromas mingle with cola spice on the nose of this electric wine. The palate is densely packed and gives some Nebbiolo energy, with flavors of Bing cherry, roses and tar lingering across a minute-plus finish."
